

# FILLING YOUR BABY BOTTLE WITH PRAYER

As you are filling your baby bottle, we encourage you to spend time **praying over our ministry** at My Life Clinic. We believe this mission is very near to the Lord's heart, and we have seen Him work in **mighty ways** through prayer. Thank you for joining us in this way!

Here are some specific ways you can pray:

Pray for our **clients** -- that they will be strong in the midst of their circumstances. Pray that they would come to know the **love of Jesus**.

Pray for our **staff & volunteers**. Pray for wisdom, grace, & guidance as we meet with women & families.

Pray that our ministry continues to bring **hope**. Pray for Columbia to become a community that **values life in all circumstances**.

We are so grateful to have you praying!  
**Thank you!**
